## PRESCHOOLERS: AGES 2 THROUGH 5

In each preschool class, we guide your child's curiosity through Bible-based, interactive activities to help them discover who Jesus is. Also, one of our goals is to help your child transition more easily to their elementary years.

### 1 THE SERVICE EXPERIENCE

We have a fun, engaging, and age appropriate environment to help your child learn more about God. Kids ages 2-5 join together for what we call "Clubhouse", where kids worship together and hear a Bible story each week. During their small group time, we incorporate activities that reiterate what they learned from the Bible story.

### 2 WHAT TO BRING

You may bring diapers, pull-ups, and extra clothes to class if needed. To avoid personal toys getting broken, we ask that you hang onto them during the class. If a comfort toy, blanket, or sip cup is needed, let us know. They may also bring a Bible to class.

### 3 CURRICULUM

We use First Look Curriculum which is designed for babies, toddlers, and preschoolers. During this time with your children, we want to teach them 3 basic truths: God made me, God loves me, and Jesus wants to be my friend forever.

### 4 WELLNESS

We care about the health of your child and the other children too!

If your child has a persistent cough, has had a fever or has vomited within the last 24 hours, please keep your child out of the classrooms for that day.

### 5 SNACKS

During the service, we provide a snack of goldfish/animal crackers and water. If your child has an allergy, please inform the small group leader when you drop your child off and discuss what is safe and isn't safe for your child to eat. This will also print on their name tag they will wear, as a reminder for our volunteers. If necessary, please provide an alternative snack that your child can enjoy.
