

GP Kids

ELEMENTARY: KINDERGARTEN-3RD GRADE
In our elementary classes, our kids are challenged every Sunday in their small group to trust God, make wise choices, and build lasting friendships.

1 SMALL GROUPS

Every week your child is able to build relationships with other children, have a consistent small group leader, and apply what they are learning to their every day life. We believe that attending the same service time is huge for small groups because consistency is key in building relationships.

2 LARGE GROUPS

Every week we use live storytelling, engaging videos, high-energy worship, and exciting themes to help make the Bible come to life for your children.

3 WE HAVE FUN!

Elementary kids are motivated by having fun, and we want church to be something they look forward to every week! That's why we do our best to create environments where your child can have fun with dedicated times for them to connect with friends and make new ones through pre-service games, activities, and small group discussions.

4 WELLNESS

We care about the health of your child and the other children too! If your child has a persistent cough, has had a fever or has vomited within the last 24 hours, please keep your child out of the classrooms for that day.

5 TAKE IT HOME

In GP Kids we provide a great resource center at our "News Stand". That is where you will be able to find all kinds of information to help you continue the conversations at home with your child and to also provide you with some awesome parenting tips. Also, we would love for you to download the ParentCue app on your phone. This is an excellent way to stay informed about what your child is learning and to also have tons of parenting resources at your finger tips.
